# AICES Executive Officers Report

This year turned out to be one of consolidation instead of the turmoil expected. With the decision by NSW CIS to restructure their Council and in turn resist any changes to their organisation, AICES has remained intact with little or no change to operations.

Performances by our students at the CIS level have improved dramatically over the past few years with AICES now gaining more than our fair share of representative positions. This coupled with the large number of teachers filling NSW CIS convenor, coaching and managing positions has reflected well on the perceptions of others within the NSW CIS system.

The association continues to consolidate financially and did in fact reduce the affiliation fees from \$10.50 per student down to \$8.50 per student for 2009. This was very well received by our member schools and it is unlikely an increase in fees will be required in the near future.

The focus of trying to improve the credibility of AICES at the CIS level and to foster a sense of belonging and importance to the students who represent us has been very successful. We have now convinced most CIS sports to structure their trials as association based teams competing. Only boy's basketball now remains as an individual trial.

All team uniforms are now up to date with a renewal system in place to ensure that the style and quality of each sports gear is up to date and functional. Our relationship with Classic Sports is sound with the company supplying a vast majority of our gear.

The Colours and Honours awards sent to each school have once again been very well accepted and are a much sought after award by our students. These are sent out in two batches. One at the beginning of term 3 and the other at the end of the year,

As Executive Officer of the Association of Independent Co-Educational Schools I would like to thank a number of very important people...

## **AICES Association Convenors, Sports Convenors, Coaches and Managers**

This group brings to AICES a wealth of knowledge, enthusiasm, time, commitment and especially expertise. They are present at all levels of operation from initial planning of events to evaluation. Without the contributions by so many, AICES could not function as smoothly and professionally as it does.

## **AICES Governing Body**

I thank the AICES Chairmen, Mr Phillip Goldsworthy from Bishop Tyrrwill Anglican College and Mr Martin Orrock of the AICES Governing Body for their leadership and support throughout the year..

Greg Aitken
