### AICES 16yrs Team / Representatives

### Rugby Managers' Report

In 2019, the AICES Rugby program maintained the same format from the previous year running a camp at Sydney Academy of Sport and Recreation, Narrabeen. It was a very constructive camp resulting in the development of strong team bonding and a culture of resilience amongst the players.

Our selection process held in May at T.G. Milner Field in Eastwood saw a slight increase in players trial than the previous year. Selection was assisted by NSWRU development officers along with Andrew Cleverly. Both the U16 and Opens players were put through a series of drills and modified games which gave the selectors a chance to see each players core skill ability. Following the skills session the players then played round robin games in their associations against the other associations – these included Hills Schools Zone, Christian Schools, Hunter Schools and then a barbarians team made up of students from other associations within AICES.

## **Opens Report**

AICES were blessed with some talented individuals in key positions. Following selection there was a genuine excitement from the AICES staff, however shortly after the team was listed four of the selected players withdrew from the team in order to play for NSW Country Juniors. Of these players one was clearly our best front rower (a position we do not have much depth in) the other three were all starting players who would have provided more strength within the team. As it happened three of the four players who went to Country made the NSWJRU U18 side which will potentially detract from our representative program in future as the pathway through Sydney Juniors and Country Juniors provides less competition than the schools pathway for these level of players. This will remain a constant battle for AICES representation in the opens as we regularly conflict with NSW Country Juniors. As AICES does not hold a strong track record of success or have a track record of being a strong pathway for further representation in the Schools pathway, it is often overlooked as a lesser representative team than the NSW Country Juniors.

Despite losing 4 players, we maintained a positive outlook and worked hard to bring the incoming players up to a standard required to compete at the NSWSRU trials. With a short preparation time our main focus throughout the training camp was to develop defensive structures and develop defensive decision-making skills within the playing group. Our secondary focus was to develop a very basic attack structure that the team could use to provide options from any position on the field. Outside of training we had a clear focus on developing cohesion within the playing group and working on mindset skills. It was my opinion that where we lacked physical size and match practice we could gain an advantage in a strong team bond where players worked for each other.

#### **Report on matches**

The AICES played 2 matches of 40-minute halves. The first match against ISA III's, showed the team as being a clearly better side and except for 2 60m intercept tries this would have been indicated on the scoreboard. Conditions made this a forward's game with little ball movement, not a style suited to our boys. The team gelled together after the first 10 minutes to put some good phases together for a 23-14 win.

The second match was a definite step up in class against a CHS team that had a definite game plan and were well drilled, this coming from played games together. The first 15 minutes were difficult for the AICES team as basically they had no ball and were defending. During this time CHS came away with only 1 try which was a confidence builder for AICES. As the 40-minute time progressed

the AICES team were able to use the ball and place pressure on the CHS team. Scoring a try and in the final minutes camping in the CHS half putting pressure on, and only some scrambling defence enabled the score to remain the same. In the final plays of the game AICES was continually inside the CHS 22 metre line. The AICES side as the day progressed improved in cohesion, and the CHS score reflected the minimal difference between the teams. The final score finished as a loss 14-7.

The following match AICES played CCC at Daceyville on a very wet field. The first half was evenly contested however AICES struggled to maintain the ball for long periods in possession and spent most of the time defending. During the second half CCC's dominance in possession and territory started to tell on the score board with the final result 31-10 to CCC.

#### **Opens representative selections**

Harry Snook – Combined States

### **Under 16's Report**

The Under 16's trials were run in unison with the opens and followed the same format. The coaching team were very happy with the final selection however there were three boys who failed to attend the U16's championships which impacted the teams results as they had limited back reserves for the two days.

#### Trial Matches – Warringah Rugby Park (18<sup>th</sup> June)

After a successful lead up, the AICES squad were heading into the first trial match enthusiastic and ready to implement all that they had worked on during the camp. The first match against ISA II provided a good boost to confidence going down 14-5 but creating plenty of positive opportunities in attack.

The second trial was another close loss 14-0 to CCC which again did not completely illustrate AICES positive opportunities in attack. In both games AICES defence was exceptional despite the loss and the improvement in AISCES defence across the board has been well documented.

All members of the squad left on a positive note buoyed by the realisation that they could match it with the other teams at the Championships the following weekend.

#### NSW Schools U16's Championships

AICES first game in the championships was a tale of two halves. At half time AICES led CHS 14-12 through some brilliant attacking play and a dominant forwards display. Unfortunately, CHS came out of half time with a point to prove and outscored AICES in the second half to win the match 45-14. Despite the final score the AICES side was happy with the first half and developed some confidence that they could play well and put some of the big teams under pressure.

During the second game AICES failed to build on an excellent first half versus CHS and ISA II performed well in a dominant display winning 29-7

The final game was again tightly contested in the first half with a 7-14 lead to ISA I, however the trend continued in line with other games where AICES dropped away late in the game for a final score of 31-7.

The results clearly demonstrated that with a lack of players on the bench and a clear drop of playing ability in the second halves in the games that AICES team lacked the fitness and conditioning to compete for a full game with their opponents. Due to AICES players playing less

games in formal school competitions that the other associations the results were evident that this is an area that needs to be addressed in AICES teams for the future.

#### **Representative selections**

Jarod Homan (NSW Schools 2 & Gen Blue) Jack Neich (NSW Country) Zach Leibenburg (NSW Country)

#### **Priorities for 2020**

- Further emphasise the commitment to players especially those who also play Rugby league.
- Look at the opportunity to develop a satellite S&C program so that we can hopefully match the physical attributes of other teams.
- Look at the possibility of a tour (overseas or interstate).
- Investigate how we can make AICES a more attractive pathway than NSW Country Juniors
- Further support and encourage our coaches and managers.

Report compiled by James Barkell (AICES Convenor/Opens Coach), Rick Walker (Opens manager) and Tim Dawson (U16 Manager)

#### **CIS Major Awards**

#### Life Membership

Greg Aitken - AICES

#### **Outstanding Secondary Contribution**

Catriona Henderson - St Luke's Grammar School

# **AICES Rising Star Grants**

The AICES Rising Star Program is designed to support young people participating at the CIS level or higher as an athlete or official. AICES will award <u>up to</u> ten (10) Rising Star grants each school year. Achievements from Term 4 2018 until Term 3 2019 (inclusive) can be taken into consideration.

#### Criteria

In order to be eligible to apply for a AICES Rising Star Program grant students must meet the following criteria:

- Be an enrolled student at an AICES affiliated school in year 7 to 12
- Be participating in an AICES Sport as outlined on the AICES Website
- Be participating as an athlete, umpire or referee in the AICES Pathway:
  - I. AICES Team playing at the All Schools Level or higher
  - 2. An individual athlete at an All Schools Event or higher
    - 3. Be a member of multiple CIS Teams

#### Amount

The base rate of each of the ten grants will be \$250

Students attending country schools will be eligible for an additional \$50.

Country schools are recognised as being members of the following AICES Sub Associations:

HRIS, WAS and SASSA. The Illawarra Grammar School is also included in this group.

#### Applications

All applications must be submitted on the official AICES form and must:

- I. Be lodged by the students school
- 2. Be verified by the Sports Co-ordinator of the students school
- 3. Be endorsed by the students school Principal

#### **Selection Committee**

The Committee will consist of the eight AICES Sub Association Convenors and the Executive Officer. Each will rank their top ten students which will then be compiled by the Executive Officer. The students with the highest tally will be awarded the grants.

#### Payment

Successful applicants complete a claim form with their bank details. So it can be appropriately recognised at their school, a certificate will be posted to the students Sports Co-ordinators in mid-September.
