## Rugby Manager's Report - OPENS

If you were to look at only the scores of the matches played by the senior team then you would believe this has been an unsuccessful program, this is far from the truth. The ideal of our program is to give the boys of our association experience and exposure. The boys of this group certainly showed a vast improvement from their first meeting at the Narrabeen camp to the final minutes of the Country Game.

The selection trial for this year was a straight nomination process with Greg Aitken placing the boys in suitable teams by position. This process while giving us access to more than an adequate number of players, leads to inherent problems, and with the large number of withdrawals the teams needed to be rapidly reworked on the day of the trials. It should be considered that we go back to the Associations presenting teams for the trial day.

The weekend camp at Narrabeen was very effective, with the program devised by the coach Heath Morley, with assistance from outside coaches for the set pieces and the backs, these were organised by Heath, and the skills sessions were effective from a skill building point of view.

The Narrabeen camp allowed the group to come together as a team, with team building being built into the activities. Groups working together, emphasising the 23 as a group rather than 1 to 15 and reserves.

The games we played against ISA III, CHS II, and CCC were hard days at the office, with these teams identifying our weaknesses, in speed to react to differing situations. While the boys showed progression in cohesion and skills in open play were caught by outside speed. The set pieces were a highlight with us more than holding our own, a testament to the work done at Narrabeen. Heath Morley, coach, (Emmanuel School) was able to rotate the tight 5 effectively to ensure this parity for our games. The final game against Country was supposed to be a game of parity teams, however Country was the best of all the teams we played, and the best that AICES had played.

For long periods of this game there would be play in the middle of the field with the teams fighting for ascendancy, then one mistake from AICES and a Country score. The boys were competing for the whole game, and in the last 5 minutes were camped in the Country 22 unable to break their defensive line.

The boys in this group were all fine representatives for each of their schools, and their Associations. They were appreciative and attentive to the coaches instructions. The demeanour and dress when attending the games reflected well on the students and their commitment during the games never flagged no matter what the score.

#### Reflections:

The program we have now except for the trials is effective, the boys picked were all keen to play, and attended training and games with commitment and enthusiasm. The teams we played were well suited and we were competitive for long periods of the game. An important part of this was the enthusiasm of

Heath Morley (Coach, Emmanuel School) in his first year as coach and to the assistants he organised to come in were very effective and supportive of the AICES program.

The selection process was extremely fair with some of our boys in the selection group for further progression from the first set of games. We were well informed as to what the selectors were looking for with our players, however with Covid these games were all cancelled.

R Walker Manager

## Rugby Manager's Report - Under 16s

2021 proved to be one of the most successful campaigns for the U16s squad in years. Overall results will show that the team won 4 of its 5 matches and the level of commitment to the team and positive feedback from both players and parents alike, indicate a high level of success.

#### **AICES Trial Day**

Beginning on the 13<sup>th</sup> May, the AICES Trials were held once again at TG Milner Field. This year, registrations were Individual rather than through association. This made it quite difficult to get onto the field in the morning due to the organisation that had to occur. This also provided no level of vetting of weaker players before arriving. With the absence of association coaches on the day it was found that there was probably 3-4 selectors short of a good number for the process.

It is recommended that association teams be reintroduced for 2022 if possible. A further recommendation is to have more NSW Rugby staff attend in order to facilitate the skills sessions to be run in more specific positional groupings, which will assist the selection process. Finally, it is suggested that the number of reserves be considered due to a lack of quality depth and the requirement to provide significant game time for all players selected. The suggestion is to drop from 8 to 5 reserves (3 Front Row, I utility forward, I half, I utility back). NSW Schools Rugby policy must be consulted though, and numbering must be in accordance with traditional positional numbering (e.g. 22 for utility back).

#### Camp

With the squad chosen, camp was held on  $22^{nd}$ - $23^{rd}$  May at Sydney Academy of Sport in Narrabeen. This concentrated time together provided a vital chance for the team to bond and to cover all strategic and positional information. We recommend continuing this camp be included in all future programs and are happy to continue at this venue due to the location, good facilities and meal inclusions. A Saturday Night excursion would be beneficial in the future if there is a Rugby game to attend, as the venue does not provide a large meeting for the squad to fit in.

I would like to thank and commend Jay Treggonning (The Illawarra Grammar School) for coming to assist at the camp on the Saturday Afternoon in training the Forwards in set piece play. His knowledge and expertise was a great asset and the players gained a great deal from his input.

#### **Games**

As mentioned earlier, in terms of results, this year's squad performed very well winning 4 of their 5 matches.

Trial I: AICES 12 def CCC 10

Tries: Charles Heidke, Lawrence Kini Conversion Nathan Cryer

Trial 2: AICES 7 def ISA II 5

Try: Samuela Tuisau Conversion: Ryan Witherdin

Trial 3: AICES 15 def CCC 0

Tries: Ethan Jenkins, Michael Vandoros

Conversion: Nathan Cryer Penalty: Nathan Cryer

Championship Match 1: AICES 0 def by CHS 36

Championship Match 2: AICES 5 def ISA II 0

Try: Nathan Cryer

Championship Match 3: AICES def CCC

Cancelled - due to poor weather and ground closures

The coaching staff headed up by Daniel Toole and assisted by previous AICES players Aidan Wearne and Ethan Mosely, prepared the players well and, most notably, drew the squad together. There was a high level of commitment to the team by the players which was seen in the latter part of the program where injuries would not even prevent boys from coming to the games and supporting their teammates on the bench. They all just wanted to be part of the team. This has been a significant increase from previous years and contributed to the overall success on the field.

A final commendation to Greame Wallace for his outstanding service in providing medical advice and intervention when required throughout the entirety of the program this year. He provides a first-class level of care and builds a great rapport with staff, players and parents. He is always there on time, set up ready to go and allows everyone involved to feel relaxed in the confidence of his expertise. We highly recommend seeking his services for all future programs.

Overall, 2021 will be remembered as a year of great success and another step in building the profile and reputation of AICES Rugby amongst the other associations. Although we anticipate only a couple of players to be looked at for selection in the NSW Schools Teams, we know that there will be a high retention rate in the coming years of the members of this squad returning to trial for AICES in the coming years. This is our true level of success and one to continue to strive for.

Mr Tim Dawson U16s Manager
