All Semi Finals that result in a draw will be decided by a Penalty Shootout. <i>Teams take turns to kick from the penalty mark until each has taken three kicks. However, if one side has scored more successful kicks than the other could possibly reach with all of its remaining kicks, the shoot-out immediately ends regardless of the number of kicks remaining; this basis is called "best of three kicks". If still drawn it becomes sudden death.</i> The Grand Final will have 5mins each way followed by a penalty shootout if required. All other normal Football Rules apply
