The AICES average is 367 students in each association for each official required. This means that for equality amongst Associations a score in the 300's is required. Those with a score below 350 are supplying more than their fair share and those with score higher than 600 are not suppling enough officials. This does not include Swimming, XC or Athletics as these are allocated based on association population.

AICES Netball Tour

The Inaugural Netball Tour to the Gold Coast took place during the July school holidays with great success. The girls, coaches and a number of parents/families landed in the Gold Coast to compete with two teams: Under 15s and Opens, in the Gold Coast Netball Carnival. There were 86 teams competing: 2 x South Africa, 14 x NZ and all others from all states of Aus.

The AICES Convenor, Greg Aitken, commented to all players "Congratulations to all on tour. By all reports you have represented AICES and your various schools with pride and played the whole tournament in the true spirit of netball…. "

The coaches, managers and parents were also as impressed with the girls' behaviour and spirit … "…. It has been an absolute pleasure in coaching the U15 this week and watching them develop and mature as not only individual players but as a team. Every challenge no matter how large they conquered, games they though might be unbeatable they won. Our goal was to bring out the best in each of them and get them to believe in themselves and their team mates. We wished we'd videoed their first and last game just to show them how truly amazing they where, to win all 5 games on Saturday against 4 teams that had previously beaten us made Kirsten and I feel so proud of them all and we feel so blessed to of been apart of this first AICES Netball Tour and to be able to coach the girls was a real pleasure . Sue Grigg (Coach) Kirsten Jackson (Manager)

15yrs played in the 16yrs competition and after a slow start won the Div 2 Shield.

Opens had a great tournament making the Grand Final and were runners-up to the whole tournament.

AICES Rising Star Grants

The AICES Rising Star Program is designed to support young people participating at the CIS level or higher as an athlete or official. AICES will award **up to** ten (10) Rising Star grants each school year. Achievements from Term 4 2016 until Term 3 2017 (inclusive) can be taken into consideration.

Criteria

In order to be eligible to apply for a AICES Rising Star Program grant students must meet the following criteria:

- Be an enrolled student at an AICES affiliated school in year 7 to 12
- Be participating in an AICES Sport as outlined on the AICES Website
- Be participating as an athlete, umpire or referee in the AICES Pathway:

1. AICES Team playing at the All Schools Level or higher
2. An individual athlete at an All Schools Event or higher
3. Be a member of multiple CIS Teams

Amount

The base rate of each of the ten grants will be $250
Students attending country schools will be eligible for an additional $100.
Country schools are recognised as being members of the following AICES Sub Associations:
HRIS, WAS and SASSA. The Illawarra Grammar School is also included in this group.

Applications

All applications must be submitted on the official AICES form and must:

1. Be lodged by the students school
2. Be verified by the Sports Co-ordinator of the students school
3. Be endorsed by the students school Principal

Selection Committee

The Committee will consist of the eight AICES Sub Association Convenors and the Executive Officer. Each will rank their top ten students which will then be compiled by the Executive Officer. The ten students with the highest tally will be awarded the grants.

Payment

Successful applicants will be sent a cheque in their name. So it can be appropriately recognised at their school, this cheque will be posted to the students Sports Co-ordinators in mid-September.
