2024 AICES UI6s Rugby Report

A reduced program was introduced in 2024 to assist in alleviating high costs and travel time for students travelling from regional areas. This was appreciated by parents and staff but proved difficult due to poor weather affecting the camp, which had now become the only time together as a squad before the championships.

AICES Trial Day

AICES Trial Day was held once again at TG Milner on 28th May. There was a very encouraging number of boys who attended the trial and NSW Rugby staff assisted greatly in facilitating a warm up and skills session. This allowed selectors the freedom to cast their eyes over the players before matches began. Games ran smoothly throughout the day but were shortened toward the end in order to hold a 'Possibles V Probables' match at the end of the day to assist in finalising selections.

Camp

Camp was held on 22nd-23rd June at Sydney Academy of Sport in Narrabeen. Rain fell heavily over the Saturday which disrupted the sessions substantially. Coaches had to be creative and flexible as both Opens and UI6s squads had to share one indoor Basketball court for their sessions. Thankfully, we were allowed time on Sunday morning to run a session on an oval and this was highly valuable in the preparations for the following weekend.

Unfortunately due to poor weather, we could not have Andrew Cleverley (NSW Rugby) join us and hope to have him join the camp once again next year. The professional input is valuable for preparations but with the shortened program it is also extremely valuable for our players to have some more time in front of key selectors.

We recommend continuing at this venue due to the location, good facilities and meal inclusions. In future, a Saturday Night excursion would be beneficial, eg a Rugby match to attend, which would provide further opportunity for the team to get to know each other and develop a sense of team.

Games

In terms of results, this year's squad performed well despite losing the first two matches by narrow margins, AICES were considered the dominant team but errors in key moments cost them the games. Another tight game in the final match of the weekend where the AICES squad continued to give an outstanding effort to run out deserved winners against CCC.

NSW Schools Championships Results

Championship **Match 1:** AICES 10 def by CHS 15 (H.T. 0-3)

Conversion: Stirling Strachan

Penalty Goal: Stirling Strachan 2

Daniel Toole (Nowra Anglican College) continued in his role as Head Coach of the U16's team, a role he has faithfully served in for the past eight years. Sam Dick (Lindesfarne Anglican Grammar School) returned as Assistant Coach and provided a high level of insight and instruction for the boys. Congratulations to both Daniel and Sam for being selected to coach the NSW Schools teams, another strong indication that AICES continues to build its standing within NSW Schools programs.

Once again, a huge thank you to Graeme Wallace for his outstanding service in providing medical advice and intervention when required during the program. Graeme provides a first-class level of care and builds a great rapport with staff, players and parents. He is always there on time, set up ready to go and allows everyone involved to feel relaxed in the confidence of his expertise. We highly recommend seeking his services for all future programs.

The following players were selected into further representative squads to compete at the NSW Invitational Championships 12-14 July, 2024:

- Carter Mareko (NSW Schools 2)
- Caleb Fesolai (NSW Schools 1)
- Leo Fragar (NSW Schools 1)
- Aiden Hunt (NSW Country)
- Taj Little (NSW Country)
- Lewis Smith (NSW Country)

Overall, the 2024 AICES squad continued to build our reputation as being highly competitive with strong showings in the three matches that were played. The rain affected camp along with the cancelling of trial matches left the squad a little underprepared and this showed in the high error rate. It is hoped that a trial match may be incorporated into the camp program in 2025 to provide the team an opportunity to build connections and confidence whilst not adding any travel dates.

Mr Tim Dawson
U16's Manager

AICES First XV Rugby Report

What an interesting rugby season there was for the AICES Under 18s. The trial day at Eastwood was very successful with the NSW Waratahs support staff helping with the coaching on the day and with the selections for the representative teams.

The Coaches Tristan Jones (Hills Grammar) and Scott Hatch (Scone Grammar) had a wide choice from the players at the trials. This year the team was chosen from a range of 12 schools, showing the growing depth of Rugby in AICES schools.

The team chosen were all invited to the weekend camp at Narrabeen Sport and Recreation Camp and this year we had a full complement of 23 players present.

The camp itself was planned with sessions run by the coaches and sessions run by the NSW Waratahs support staff. However this year the weather was not cooperative, and this threw a very large spanner into our plans.

The Saturday morning was a reasonable start with games on the fields when we arrived, however the rain that day and the previous days had been torrential and the grounds were closed to use as soon as the games were complete. Parts of the ovals were under 4 to 10cm of water. Despite the wet the team trained, in these conditions with the boys trying to get as much benefit as possible from their time together.

After drying out on the Saturday afternoon we were able to work in the gymnasium where we were able to start work on moves and teamwork. Rain continued outside.

On the Sunday the rain had stopped and we trained on the ovals. While still very wet the team was able to work in more expansive areas and allows the team to gel together. The Waratahs sessions had to be cancelled due to the state of the grounds and scrummaging was out of the question.

GAMES

The first match against Country was a close run game and the difference was only the fact that the Country team had played together, for AICES a close loss.

The second game was against a Presidents XV and this was a step up in class against the GPS side, from our first match. While the coaches and manager could see an improvement in our team play, the team playing to our game plan, the teams was well beaten on the scoreboard.

The third match was against the CHS 2s. The AICES team showed the benefit of 2 games together and the training sessions before the games. This match was high tempo from the start, with the AICES scored 3 tries, the final result was a close win to AICES.

The team had built towards this result over their entire time together. The coaching provided by Scott Hatch and Tristan Jones was beneficial to the rugby growth of the team, with the development of game plans which suited the playing group and the way in which for 2 of the games they were very competitive.

Thanks must go to the organisation and support from Greg Aitken whose behind the scenes work ensured the whole program ran smoothly.

Thanks must also go to St Josephs School who accommodated matches for the trials at very short notice when Pittwater Rugby Park was closed for use, due to the inclement weather.
