AICES Executive Officers Report

2007 has been a very successful and challenging year with further consolidation of the important projects of 2006 as well as the implementation of systems being the main focus. This along with ensuring the financial security of AICES has resulted in a very rewarding but busy year. Although 2007 did not see any new schools enter AICES, the association still grew by around 1000 students. Many of these students being from schools who are increasing their year groups.

The AICES Website has also been a prime project. It is now getting to the stage where both staff and students from our member schools use the website as their primary source for gaining information. Website hits this year have taken a 100% increase over 2006 with over 16000 visitors so far this year. This and the newsletter have been very important to communication within AICES.

Another goal achieved in 2007 is the completion of the renewal of all of the AICES uniforms. All sports now have up to date and professional uniforms to compete in at the CIS level. In many cases we are leading the pack in this area.

The continuation of trying to improve the credibility of AICES at the CIS level and to foster a sense of belonging and importance to the students who represent us has been very successful. The Colours and Honours awards sent to each school have been very well accepted and are a much sought after award by our students.

As Executive Officer of the Association of Independent Co-Educational Schools I would like to thank a number of very important people

AICES Association Convenors, Sports Convenors, Coaches and Managers

This group brings to AICES a wealth of knowledge, enthusiasm, time, commitment and especially expertise. They are present at all levels of operation from initial planning of events to evaluation. Without the contributions by so many, AICES would not function as smoothly and professionally as it does. Special mention must go to Mr Leigh Carroll who has stood down as HRIS Sports Convenor. Leigh helped with the initial set up of AICES in 1996 and has been involved in many areas of AICES since. His input will be greatly missed.

AICES Governing Body

I thank the AICES Chairman, Mr Phillip Goldsworthy from Bishop Tyrrwill Anglican College and the AICES Governing Body for their leadership and support throughout the year. Special mention must also go to Mr Terry Lidgard who has stood down as the NASSA Director and Sports Convenor.

The Girls Championships were held in conjunction with the boys at the Newcastle International Hockey Centre. The venue was great with the girls being able to play on water based turf. Newcastle Hockey Association supplied the umpires. Only 3 associations competed. A mixed team (Barbarians) was formed to cater for the associations who did not have an official team.
