## 2025 AICES U16s Rugby Report

### AICES Rugby Union Report

The 2025 AICES Rugby Union program continued to show strong development and competitiveness across the NSW Schools pathway. A key enhancement this year was the introduction of a full training day on the Friday, which provided valuable time for the squad to build cohesion, refine structures and prepare thoroughly for the championship weekend. This addition proved highly beneficial and will remain part of the program moving forward.

### NSW Schools Championships – Match Results & Summaries

#### Championship Match 1: AICES 7 def by CHS 22

AICES began the tournament with a competitive performance against a well-organised CHS side. The boys showed strong defensive resolve early but were unable to convert pressure into points. CHS capitalised on key moments late in each half, pulling away to secure the match despite AICES' determined effort.

#### Championship Match 2: AICES 17 def ISA II 5

In an impressive response, the squad produced a disciplined and composed display to defeat ISA II. Improved defensive structure and a clear lift in physicality allowed AICES to control field position, while well-executed attacking phases resulted in a convincing victory.

#### Championship Match 3: AICES 17 def by CCC 45

AICES delivered their strongest half of the weekend in the opening 30 minutes, playing with confidence and accuracy to challenge a powerful CCC outfit. Leading key moments and staying within four points at the break, AICES showed genuine potential. CCC, however, finished strongly in the second half, capitalising on turnovers and fatigue to extend the final margin.

## AICES 2025 ANNUAL REPORT

### Representative Selections

AICES was again well represented in the NSW Schools pathway, with the following players selected to compete at the NSW Invitational Championships (11–13 July 2025):

1. Mitchell Ryan (NSW Country)
2. Manni Campbell (NSW Country)
3. Jack Murdoch (NSW Country)
4. Alli Issa (NSW Country)
5. George Morgan (NSW Country)
6. Adrian Nel (NSW Schools I)
7. Tucker Groves (NSW Schools II)

These selections reflect the talent within the squad and the strength of rugby programs across AICES member schools.

The 2025 program was led by Sam Dick and Daniel Toole, who co-coached the squad throughout the campaign. Daniel will take long service leave next year, and we acknowledge and thank him for his outstanding contribution to AICES Rugby over many years. AICES coaching expertise was further recognised through state appointments, with Sam Dick serving as Head Coach of NSW Schools I and Daniel Toole appointed Head Coach of NSW Schools II. These honours continue to highlight AICES' growing reputation and influence within NSW Schools Rugby. Rick Walker provided great support as Team Manager, backing up after a big two days with the AICES 1st XV. Rick's calm demeanour was well appreciated by the players!

Sincere thanks are extended to Graeme Wallace for his exceptional medical support throughout the program. Graeme's expertise, professionalism and rapport with players and staff ensure a high standard of care and contribute significantly to the success of the annual campaign.

The 2025 AICES Rugby Union program reaffirmed the organisation's competitive standing and commitment to high-quality player development. The squad demonstrated resilience, growth and strong team culture across the tournament, supported by the effective addition of the new training day. With increasing representation in higher-level squads and coaching appointments, AICES continues to strengthen its place within the NSW Schools Rugby landscape.

Sam Dick  
16s Co-Coach

### AICES First XV Rugby Report

The rugby program for AICES is continuing to grow in strength. The team we put forward for the matches representing AICES was well prepared and the best that could be chosen from the 80 boys who presented themselves for selection.

The organisation behind the scenes by Mr Greg Aitken led a long way to the success of the program. The inclusion of the new clothing suppliers worked well, apart from a few teething problems with the sizing of some of the uniforms.

The program of the games was changed this year, with a major change being the games were all played over a 2 day period, rather than being spread over 3 weeks with there being a week between games. This being coupled with the fact fewer teams were in the competition, with CHS only entering 1 team, the second team being one of our traditional matches. The training camp at Narrabeen was scrapped and instead we had a full day training on the Wednesday and games on Thursday and Friday. For our boys especially those coming from out west and the upper north coast a considerable cost saving.

There were a lot of changes in the structure of our program to go with the new schedule of games, new coaches and a selection from a wider range of schools. The new coaches were very experienced, and we thank Hills and Scone Grammar for allowing them to participate and support the program. The training on Wednesday at the Hills Grammar School enabled the team to develop the playing style and a team spirit that the coaches were trying to engender. The planning for the day meant that this was well on the way to being developed.

The results of the three matches the team played show that we were beaten on the scoreboard and yet we were only clearly outplayed in the first match against the Presidents XV. The second and third matches against CCC and Combined Country, showed a steady improvement in skill and cohesiveness. The match against Combined Country was the team's best effort with the games in the balance until the final minutes.

The team, on and off the field the team presented themselves as proud representatives of their schools and this association.

At the selection table there were various boys names mentioned but we were unable to get any players selected, and some were close to get into the shadows, a very good achievement considering the football talent that was on show.

Rick Walker  
Manager
